

REMARKS

Favorable reconsideration of this application is respectfully requested.

The present Amendment is supplemental to the Amendment filed November 24, 2008, and which has been entered with the Request for Continued Examination (RCE) papers filed on December 24, 2008. That previous Amendment filed November 24, 2008 was originally indicated as not entered in the Advisory Action of December 15, 2008, but that Advisory Action indicated the amendments therein addressed the rejection under 35 U.S.C. § 112, second paragraph.

The present Supplemental Amendment is submitted to submit new independent claims 29 and 30 for examination and to change the dependencies of claims 17 and 19-27 to depend from new independent claim 29.

New independent claim 29 corresponds to a combination of previously pending dependent claims 16 and 28, and new independent claim 30 corresponds to a combination of previously pending claims 16 and 18, and thus the submission of new independent claims 29 and 30 is not believed to add any new matter.

The present application is believed to be in condition for a further full and thorough examination on the merits. An early and favorable consideration of this application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
